

NOTICE
about holding an open competition
for the right to conclude an EPC contract for the construction of the 1st stage
2x300 MW thermal power plant with an installed capacity of 1200 MW (stage 1 2x300 MW;
2nd stage (1x600 MW) in the Naryn region of the Kyrgyz Republic with
supplying power to the 500 kV energy system of Kyrgyzstan.

No. 1 "03" June 2025

1. **Method of purchase:** Open International Competition (OIC)
2. **Name of the competition organizer:** public corporation
"Electric stations".
Location: Jalalabad region, Kara-Kul city, Lenin street 48 Postal address:
721000
Contact person: Mukhidin uulu Begulan
Contact phone: 62-41-78; 0702382488. E-mail: es@es.energo.kg
3. **Subject of the competition:** for the right to conclude EPC – contract for the construction of a thermal power plant with an installed capacity of 1200 MW (stage 1 2x300 MW; stage 2 1x600 MW) in the Naryn region of the Kyrgyz Republic with the supply of power to the 500 kV energy system of Kyrgyzstan.
Subject of the EPC contract:
Execution of works on:
 - design, supply of equipment and construction of the Kara-Kechin thermal power plant (TPP) with an installed capacity of 1200 MW in two stages of commissioning (stage 1 - 2x300 MW), (stage 2 - 1x600 MW) with the output of power into the 500 kV power system of the Kyrgyz Republic;**Scope of work performed:**
 - 1) For the 1st stage of 2x300 MW construction of the Kara-Kechin TPP with the "Technical part" section of the Tender documentation.
 - 2) For the 2nd stage of 1x600 MW construction of the Kara-Kechin TPP, volumes according to the developed design documentation.A detailed description and requirements for the work to be performed, as well as the terms of the EPC contracts, are contained in the Tender Documentation.
4. **Place of work:** in accordance with the Tender Documentation. Information on
5. the maximum (limit) price of the EPC contract must be calculated taking into account all taxes, fees and other mandatory payments provided for by the legislation of the Kyrgyz Republic.
 - For construction The estimated cost of the 1st stage of the 2x300 MW Kara-Kechin TPP is 934.38 million US dollars.
 - Construction cost The 2nd stage of 1x600 MW Kara-Kechin TPP is approximately 370.6 million US dollars, due to the readiness of some facilities after the construction of the 1st stage.
6. **Guarantee of order fulfillment:** provided in the amount 1% of the contract amount in the form of a bank guarantee.
7. **Contract performance guarantee:** provided in the amount 5% of the contract amount in the form of a bank guarantee.
